

# Ring Binders and Covers

Keep your private information hidden with a colourful PVC cover

Health & Safety Info  
&  
Product Data Sheets

## Benefits and Features:

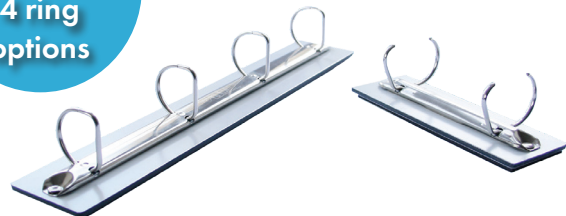

- Create quick and flexible information centres
- 2 or 4 hole ring binders
- Magnetic or self-adhesive backed, offering a flexible fixing system
- Colour coded PVC Covers also available to cover and protect A4 horizontal files
- Covers can be retrofitted to the binders

Available in 5 colours

Available with 2 or 4 ring options

Keeping multiple pages of information readily available in a prominent visual position can be difficult. Fortunately, Hold-All® Ring Binders provide the solution! These binders are ideal for storing health and safety, fire action, production planning, or any other important information.

Magnetic or self-adhesive backed, the binder offers documents a versatile fixing system for either magnetic receptive boards, steel surfaces or sealed surfaces. Use self-adhesive where heavier folders are involved.

Our colour coded covers work with our Hold-All® Ring Binders to give an attractive and highly visual finish. The cover features a front pocket that will accommodate an A4 sheet, so you can add a title panel to the cover. Suitable for use with Hold-All® 2 or 4 ring binders in A4 horizontal format. Available in 5 colour options and supplied in packs of 5.
